

# Getting access to Fabric user for workshop

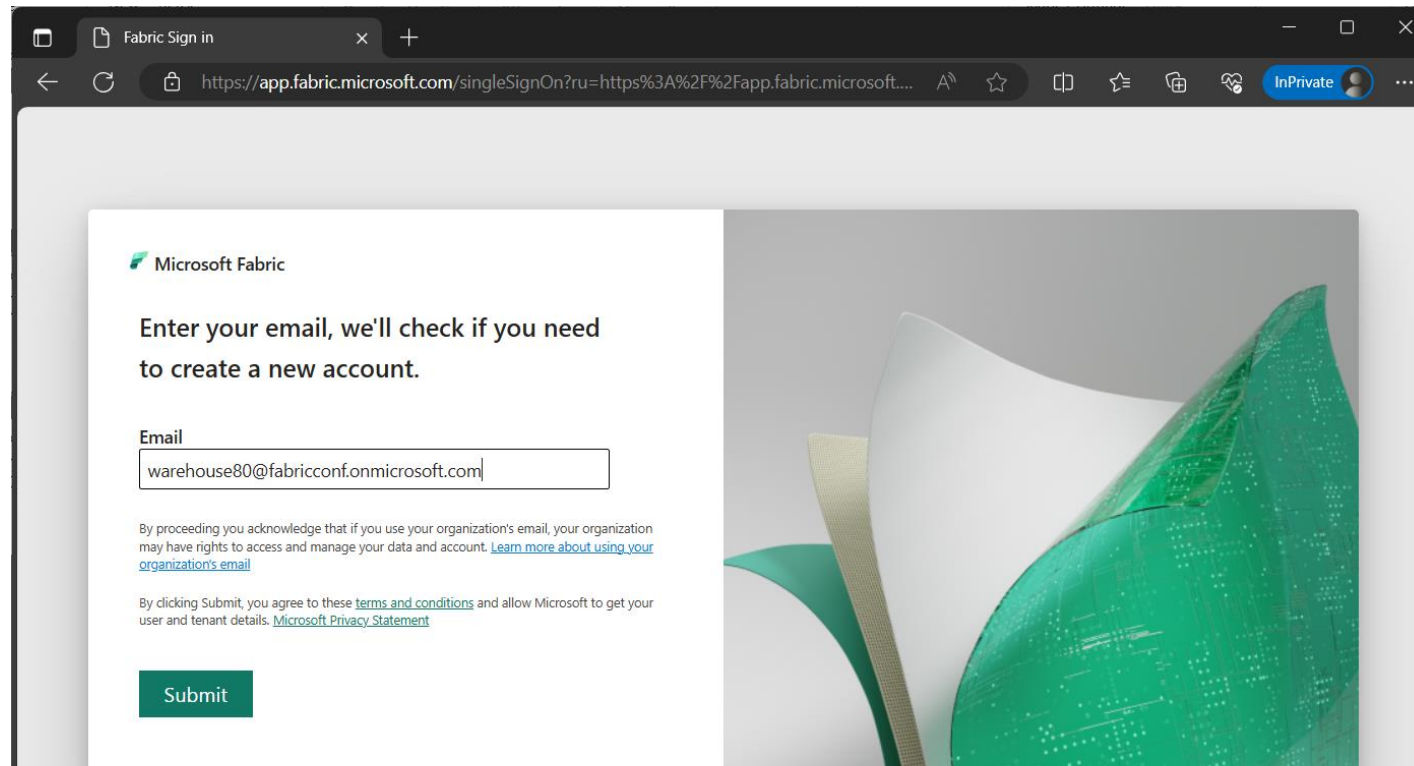

*Notice this Fabric user will be removed after the workshop*

–

*make your own copy of content, you want to keep after the  
workshop*

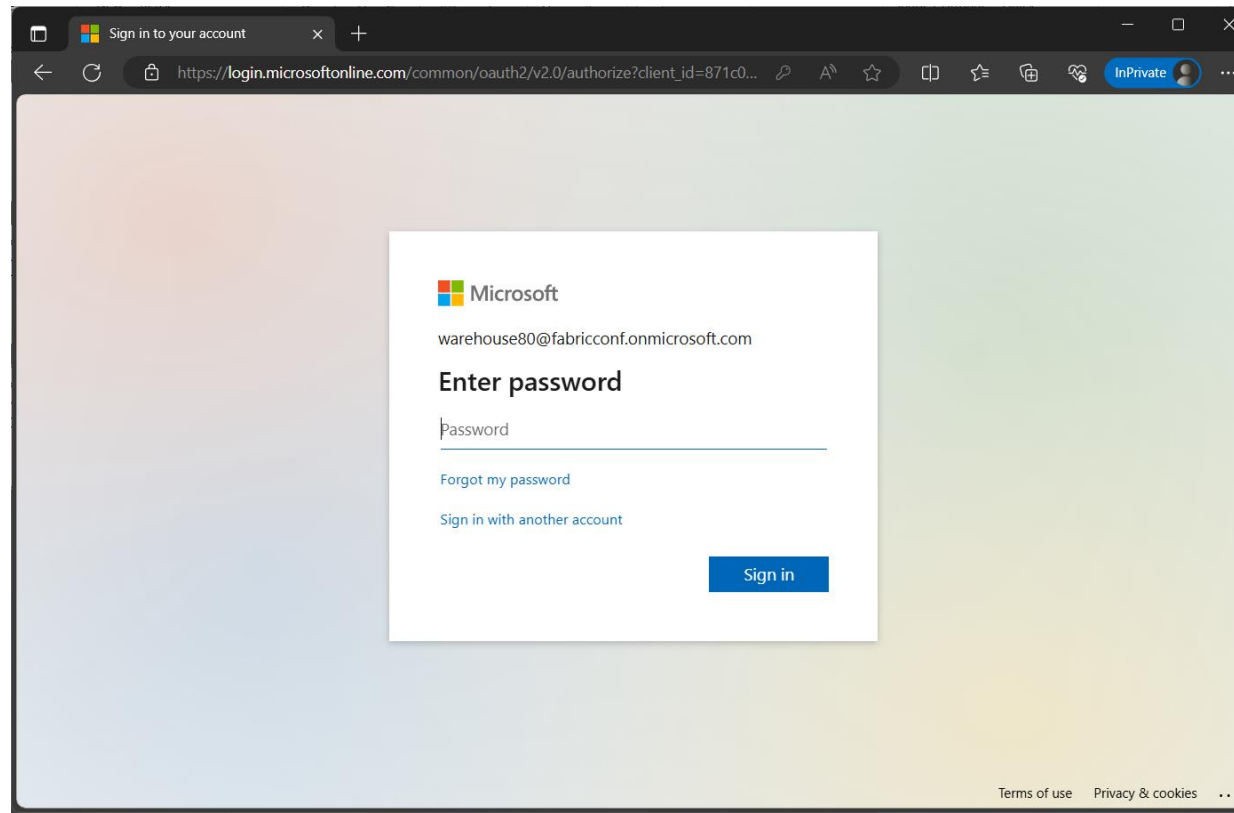

# Get started

- Create a new profile in your browser, or use InPrivate window
- Go to <https://fabric.microsoft.com>

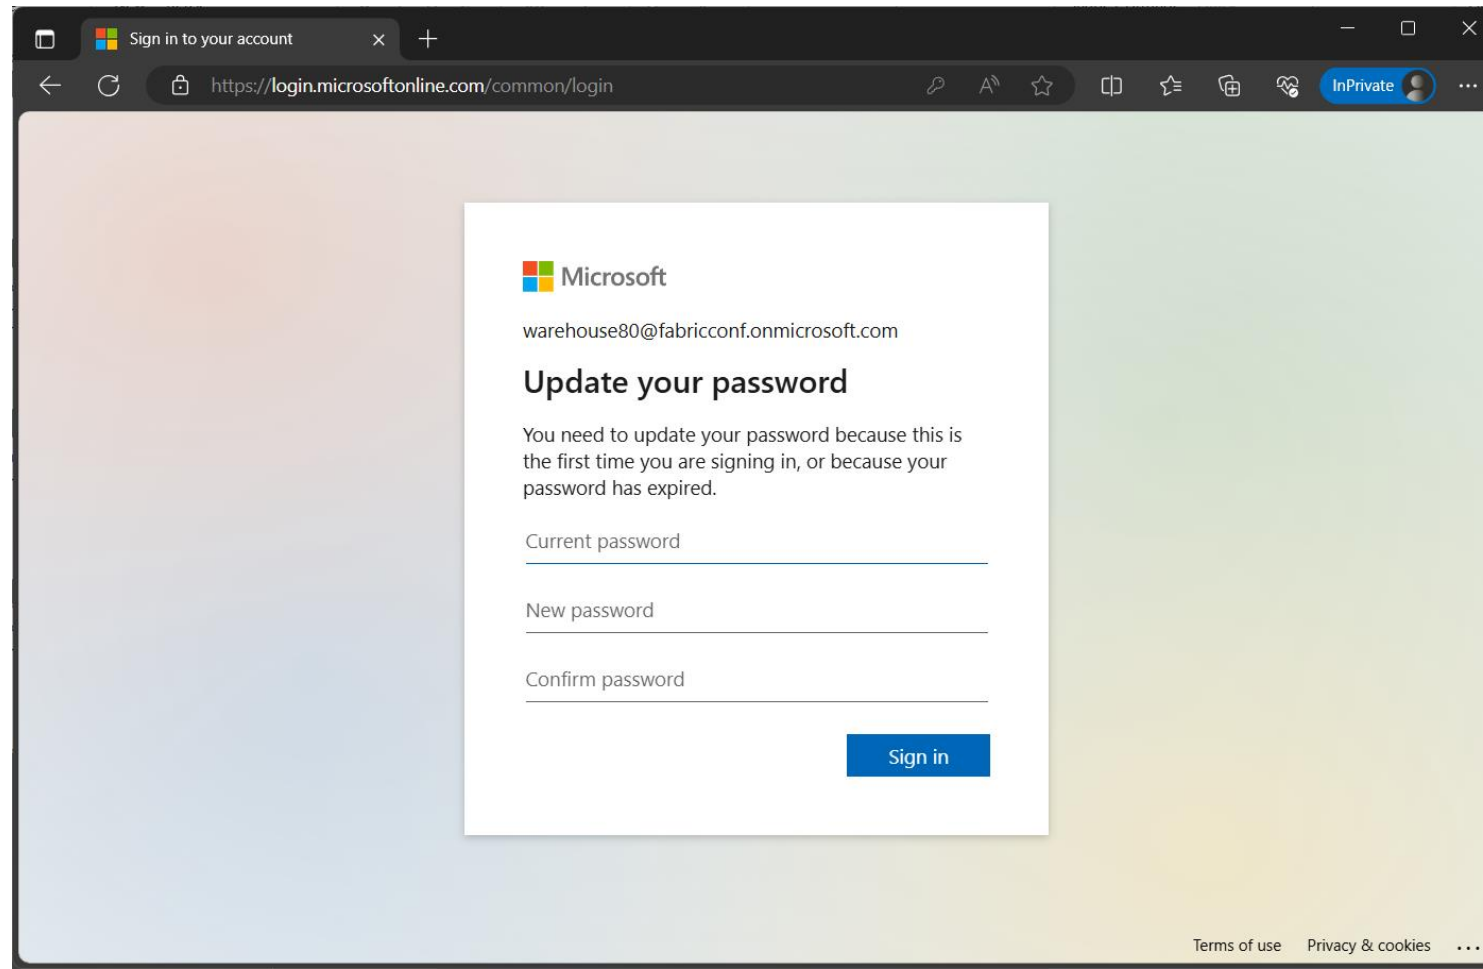

# Initial login

- Login with the email address handed out to you  
[XXX@fabricconf.onmicrosoft.com](mailto:XXX@fabricconf.onmicrosoft.com)  
Password is FabCon2024

# Change password

- The first time you login, you are prompted to change the password

The screenshot shows a web browser window with the address bar displaying `https://login.microsoftonline.com/common/login`. The page features a white central card with the Microsoft logo at the top. Below the logo, the email address `warehouse80@fabricconf.onmicrosoft.com` is shown. The main heading is "Update your password", followed by a message: "You need to update your password because this is the first time you are signing in, or because your password has expired." There are three input fields labeled "Current password", "New password", and "Confirm password". A blue "Sign in" button is positioned at the bottom right of the card. The browser's address bar also shows a tab titled "Sign in to your account" and an "InPrivate" indicator.
